

**MEETING NOTICE:  
PUBLIC WORKS COMMITTEE FOR VILLAGE OF WINNECONNE**

---

**Agenda For:**

**Monday, April 08, 2019 @ 6:00 p.m. at Municipal Building, Gallery Room, to consider**

**PUBLIC COMMENT MEETING**

The PUBLIC WORKS COMMITTEE is hosting a meeting to gather public comment on proposed alternatives the Village Utility should move forward with in the WATER and WELL IMPROVEMENT PROJECT.

The PROJECT will likely occur over the next 3- years and will be a major project for the community with estimated capital costs between \$4.5 and \$8 million. As part of the decision process, the Village held public information meetings to inform all water customers on the background and need for the project, supply and treatment alternatives, and a timeline for completion of the Water and Well Improvement Project. The next step for the Village is to seek public feedback on the proposed project and to identify the alternative that best meets the community's current and future public water quality objectives.

Your input is necessary for shaping the future of this community and its water system. Please attend the Public Comment Meeting to be held on April 08, 2019 at 6:00pm in the Municipal Center Gallery.
