Communications

Clerk Wasinger reported that a member of the Legion stopped in office with list of servicemen and bag of bronze markers collected from the Winneconne cemeteries that he feels should be replaced. Clerk Wasinger called the Veterans' Service Office in Oshkosh and sent them a list of the names, not knowing which markers were pulled from which gravesites. The staff at the VSO will investigate the list of names to see what can be done. Trustee Stelzner will talk to Gary Stanek at the Legion for more information.
